“Dissemination Event to launch the project to the public (Oslo)”

Dissemination Level PU

The first dissemination activity for the Oslo part of the HyTEC project took place on November 13-14th 2014. Vehicles and accompanying information were provided to end-users at Zero Konferansen, Folketeateret and Folkets Hus, in Oslo city centre

The Zero Emission Conference is the largest of its kind in Scandinavia. Approximately 1500 visitors were present over the two days
