

Patrick HUBER

Member of the FCH 2 JU Governing Board

Chairman, H2 Energy Holding AG
Business Development Hyundai Hydrogen Mobility AG

Patrick Huber is the Chairman of H2 Energy Holding AG, a business innovator for renewables with the goal to stop climate change and to make hydrogen and fuel cell technology a key pillar of our energy system.

After completing his studies in Economics, Patrick has been working for Credit Suisse First Boston and Credit Suisse for over 20 year before he joined H2 Energy in 2017.

He has been named group CEO in 2018. Since then, H2 Energy has established various Joint Ventures with different industry leaders such as Nel ASA, Hyundai Motors, Linde, Alpiq and others. Patrick believes in an eco-system approach for hydrogen solutions and in the importance on the commercial viability and scalability of projects.

In 2021 Patrick has been elected as Chairman of H2 Energy Holding AG and he also holds a Board Seat at Hydrogen Europe.

He is married and father of two children and lives in Zurich, Switzerland.
