9th Annual Conference, Partnering and Exhibition "Fuel Cells and Hydrogen 2013 – from Materials Research to Ramping up Production", March 20th and 21st National Exhibition Centre, Birmingham, UK

Enterprise Europe Network Midlands invites you to a conference and brokerage event devoted to hydrogen fuel cell technology.

The 2 day conference offers unique insights into the political, economic and technological advances associated with this exciting and increasingly commercial sector. Contributions from leading academic and industrial organisations will feature in the programme as well as a number of afternoon workshops focusing on numerous themes including Materials, Hydrogen Production and Storage, Low-cost Manufacturing, Novel Concepts, Fuel Cells for Transport, Fuel Cells for Stationary Applications, Safety and Socio-economic Considerations.

The brokerage event takes place in the afternoon on March 20th at the same location and has been designed to complement the main conference offering delegates pre-arranged meetings with potential partners. Last year the brokerage event attracted participants from 9 countries.

Participants in the brokerage event are offered the following exclusive benefits :

- **FREE** registration to the conference (normally £150 for 1 day or £250 for days plus VAT) for clients that participate in the afternoon brokerage event
- **FREE** hotel accommodation on the night of March 19th and a special rate of £85 for a second or third night if required. (open to non-UK clients only)
- **FREE** brokerage event taking place in the afternoon at the same location
To register and submit a profile:

<http://www.b2match.eu/fuelcell2013>

- 25% discount on exhibition space
