

PRE-INFORMATION NOTICE

Negotiated procedure for leasing of one Hydrogen powered Fuel Cells car for the Fuel Cells and Hydrogen 2 Joint Undertaking

In order to promote Fuel Cells and Hydrogen technologies towards EU policy makers and citizens, the FCH 2 JU wishes to lease a hydrogen fuel cell car to be used mainly in Brussels and Belgium.

The FCH 2 JU has leased hydrogen fuel cell cars in the past and has made them available for testing by staff members, Members of the European Parliament, Commissioners, EU Officials, members of the public, as well as to other policy makers. As this experience was a success, the FCH 2 JU would like to lease again a fuel cell car for duration of (maximum) 4 years. The objective is to continue the experiment of driving a hydrogen fuel cell car and showcase its reliability, performance and the progress made in this type of new vehicles powertrain or for any demonstration opportunity FCH 2 JU could consider necessary.

FCH 2 JU intends to invite potential candidates and send them the tender specifications with full details in the second half of May. If you would like to be considered for this contract, please contact FCH 2 JU via info.procurement@fch.europa.eu by **Thursday 30 April 2020**.

Please note that expressing interest to participate in the above-mentioned procedure does not give rise to any legitimate expectations to be invited.

This notice is in no way binding on FCH 2 JU. FCH 2 JU contractual obligation commences only upon signature of the contract with the successful candidate. Up to the point of signature, FCH 2 JU may either abandon the procurement or cancel the award procedure, without the candidates being entitled to claim any compensation. Candidates will be notified
