	Question received	Answer of the Contracting Authority
1.	Do subcontractors have to provide a Legal Entity Form?	<p>The Legal Entity Form must be submitted by “all tenderers (including all members of the group in case of joint tender)” - page 7 of the Tender Specifications.</p> <p>That is to say that only the tenderer – i.e. the legal entity applying to be contractor / legal entities applying as a consortium to be the contractor – need to submit this form. The form is not required from subcontractors.</p>
