

Telephone Conferencing and Web Streaming

Join the meeting room by using the following link : <https://fch.webex.com/join/BFCH2JU>

If any plug-in installation is asked (one-time installation) just accept and let it run for a couple of seconds.

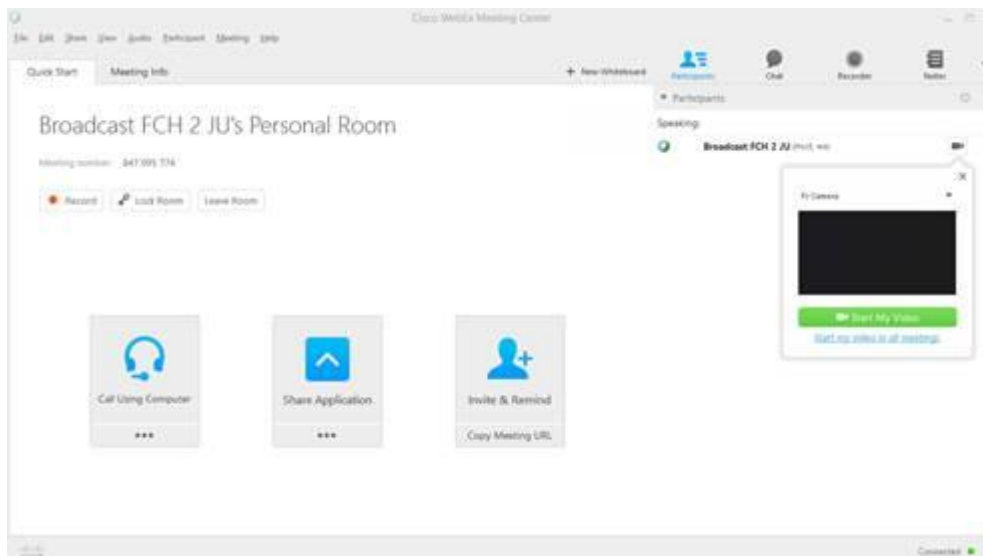

You will join automatically the room dedicated to the meeting but in case the room number is asked please use the following number : **847 095 774**

A login page will be displayed where it is asked to identify yourself by name and email address:

The image shows a Webex login interface. At the top, there is a placeholder for a profile picture and the text "Broadcast FCH 2 JU's Personal Room" with an information icon. Below this are two input fields: "Your name" and "Email address". A "Join" button is positioned below the email field. Further down, there is a section titled "Join from a video system" with the text "Dial BFCH2JU@fch.webex.com". At the bottom, there is a "Join by phone" link with a "More Information" link next to it.

A new window will be opened to attend the broadcasting session :

At this moment the only remaining action is to connect the audio part.

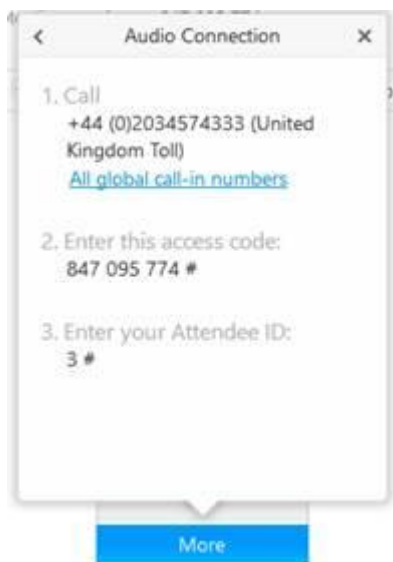

By default the system will use your speaker and micro of the computer if you press the button ***"Call using computer"***.

Be sure that the speakers are actives and your microphone opened but put in mute mode from the start.

If you a better sound quality you can couple with the normal phone system by using the option ***"I will call in"***

Just use your normal telephone (even smartphone) by following the instruction given with the access code **(847 095 774 #)** and personal attendee ID :
