and

[official name in full]
[official legal form]
[statutory registration number]
[official address in full]
[VAT registration number]

(hereinafter referred to as "the Contractor"), [represented for the purposes of the signature of this contract by [forename, surname and function,]]

of the other part,
HAVE AGREED

the **Special Conditions** and the **General Conditions** below and the following Annexes:

- **Annex I** – Tender Specifications (Invitation to Tender No \[complete\] of \[complete\])
- **Annex II** – Contractor's Tender (No \[complete\] of \[complete\])
- **Annex III** – Model Specific Contract (In this document: ANNEX B)

which form an integral part of this contract (hereinafter referred to as “the Contract”).

The terms set out in the Special Conditions shall take precedence over those in the other parts of the Contract. The terms set out in the General Conditions shall take precedence over those in the Annexes. The terms set out in the Tender Specifications (Annex I) shall take precedence over those in the [orders] [and] [specific contracts] (Annex III), the latter taking precedence over the Tender (Annex II).

Subject to the above, the several instruments forming part of the Contract are to be taken as mutually explanatory. Ambiguities or discrepancies within or between such parts shall be explained or rectified by a written instruction issued by the FCH JU, subject to the rights of the Contractor under Article I.8 should he dispute any such instruction.
I – SPECIAL CONDITIONS

ARTICLE I.1 - SUBJECT

I.1.1 The subject of the Contract is [short description of subject].

I.1.2 Signature of the Contract imposes no obligation on the FCH JU to purchase. Only implementation of the Contract through orders and specific contracts is binding on the FCH JU.

I.1.3 Once implementation of the Contract has been asked or has commenced, the Contractor shall reply and execute the tasks in accordance with all terms and conditions of the Contract.

I.1.4 The Contract does not confer on the Contractor an exclusive right to provide the services described in Annex I to the FCH JU. The Contractor is selected as the contractor for a multiple framework contract.

ARTICLE I.2 - DURATION

I.2.1 The Contract shall enter into force on the date on which it is signed by the last contracting part.

I.2.2 Under no circumstances may implementation commence before the date on which the Contract enters into force. Execution of the tasks may under no circumstances begin before the date on which the order or specific contract enters into force.

I.2.3 The Contract is concluded for a period of 3 years with effect from the date on which it enters into force. This contractual period and all other periods specified in the Contract are calculated in calendar days unless otherwise indicated.

I.2.4 The orders or specific contracts shall be returned signed before the Contract to which they refer expires.

The Contract shall continue to apply to such [orders] [and] [specific contracts] after its expiry, but no later than 9 months after.

I.2.5 The Contract may be renewed up to one time, for a period of one year only before expiry of the Contract and with the express written agreement of the parties. Renewal does not imply any modification or deferment of existing obligations.

ARTICLE I.3 – PRICES

I.3.1 The [indicative\(^1\)] prices of the services shall be [:] [as listed in Annex II].

I.3.2 Prices shall be expressed in EUR.

I.3.3 Prices shall be fixed and not subject to revision for implementation during the first year of duration of the Contract.

\(^1\) Clause to be added in the case of “competitive” multiple framework contracts.
At the beginning of the second and every following year of the Contract, each price may be revised upwards or downwards, if such revision is requested by one of the contracting parties by registered letter no later than three months before the anniversary of the date on which it was signed. The FCH JU shall purchase on the basis of the prices in force on the date on which orders or specific contracts are signed. Such prices shall not be subject to revision.

This revision shall be determined by the trend in the harmonised consumer price index MUICP published for the first time by the Publications Office of the FCH JU in the Eurostat monthly 'Data in Focus' publication at http://www.ec.europa.eu/eurostat/.

Revision shall be calculated in accordance with the following formula:

\[
Pr = Po \left(0.2 + 0.8 \frac{Ir}{Io}\right)
\]

where:

- \( Pr \) = revised price;
- \( Po \) = price in the original tender;
- \( Io \) = index for the month [in which the validity of the tender expires] [corresponding to the final date for submission of tenders];
- \( Ir \) = index for the month [corresponding to the date of receipt of the letter requesting a revision of prices] [in which the revised prices take effect].

[I.3.4. In addition to the total amount specified in each order or specific contract, travel, subsistence and shipment expenses shall be reimbursed in accordance with Article II.7, as shall other expenses provided for by the Tender Specifications up to a maximum amount of EUR [amount in figures and in words] throughout implementation of the Contract and up to a maximum amount of EUR [amount in figures and in words] for [each order or specific contract/each travel/other sufficient measure]. The daily subsistence allowance referred to in Article II.7.4 (d) shall be [EUR complete] [determined in accordance with Annex complete].]

ARTICLE I.4 – IMPLEMENTATION OF THE CONTRACT

I.4.1 Not applicable

I.4.2 Not applicable

---

2 This option is not recommended when payments have to be made in the first month, given the availability of the indexes.

3 As a principle, if reimbursement costs have to be used, they should be defined in the framework contract, not in the order form or specific contract.

4 The daily subsistence allowance to be indicated may be calculated by addition of the daily allowances' rate and the reimbursable accommodation expenses produced by DG HR (http://myintracomm.ec.europa.eu/hr_admin/en/missions/Documents/guide_new_en.pdf), in particular if more than one country is concerned.
I.4.3 Within 12 working days of any specific invitation to tender being sent by the FCH JU to the Contractor, the FCH JU shall receive a completed specific tender back, duly signed and dated. In the event of failure to observe these conditions the Contractor shall be considered to waive the participation in the specific competition. The FCH JU may sign a specific contract with the contractor who has submitted the best specific tender on the basis of the award criteria set out in Annex I. The specific contract may precise the terms of the present framework contract or modify them unsubstantially, notably as concerns prices.

ARTICLE I.5 – PAYMENT PERIODS

REMARK: The FCH JU will probably pay the total amount at the end of each study (no pre-financing, no interim payment) and will probably not required a performance guarantee.

However, where the contractor is a public body, the authorising officer responsible may, depending on his risk assessment, waive that obligation.

Within [complete]**10** days of the date on which the report is approved by the FCH JU, an interim payment equal to [complete] % of the total amount referred in the relevant specific contract shall be made.]

I.5.3 Payment of the balance:

The request for payment of the balance of the Contractor shall be admissible if accompanied by

• the final technical report in accordance with the instructions laid down in Annex I
• statements of reimbursable expenses in accordance with Article II.7]
• the relevant invoices, indicating the reference number of the Contract and of the order or specific contract to which they refer.

provided the report has been approved by the FCH JU.

[I.8.1a Without prejudice to Article I.8.2, in the event that any dispute arises between the parties resulting from the interpretation or application of the Contract and the dispute is not resolved by negotiation, the parties may agree to submit the dispute to mediation.

If any party to the dispute gives written notice to the other party of its desire to commence mediation, and the other party agrees in writing, the parties shall jointly appoint a mutually acceptable mediator within two weeks of the date of the said written agreement. ARTICLE I.9 – DATA PROTECTION

Any personal data included in or relating to the Contract, including its execution shall be processed pursuant to Regulation (EC) No 45/2001 on the protection of individuals with regard to the processing of personal data by the Community institutions and bodies and on the free movement of such data. The data shall be processed solely for the purposes of the performance, management and monitoring of the Contract by the FCH JU acting as data controller without prejudice to possible transmission to the bodies charged with a monitoring or inspection task in application of Union law. The Contractor shall have the right of access to his/her personal data and the right to rectify any such data. Should the Contractor have any queries concerning the processing of his/her personal data, s/he shall address them to the FCH JU as data controller. The Contractor shall have right of recourse at any time to the European Data Protection Supervisor.

Where the Contract requires the processing of personal data, the Contractor may act only under the supervision of the data controller, in particular with regard to the purposes of the processing, the categories of data which may be processed, the recipients of the data, and the means by which the data subject may exercise his/her rights.

The data shall be confidential within the meaning of Regulation (EC) No 45/2001 of the European Parliament and of the Council on the protection of individuals with regard to the processing of personal data by Community institutions and bodies and on the free movement of such data. The Contractor shall limit access to the data to the staff strictly necessary for the performance, management and monitoring of the Contract.

The Contractor undertakes to adopt appropriate technical and organisational security measures having regard to the risks inherent in the processing and to the nature of the personal data concerned in order to:

d) ensure that personal data being processed on behalf of third parties can be processed only in the manner prescribed by the contracting institution or body;

e) ensure that, during communication of personal data and transport of storage media, the data cannot be read, copied or erased without authorisation;

f) design its organisational structure in such a way that it meets data protection requirements.

16 Optional clause.
ARTICLE I.10 – TERMINATION BY EITHER CONTRACTING PARTY

Either contracting party may, of its own volition and without being required to pay compensation, terminate the Contract by serving one month formal prior notice. Should the FCH JU terminate the Contract, the Contractor shall only be entitled to payment corresponding to the services ordered before the termination date. On receipt of the letter terminating the Contract, the Contractor shall take all appropriate measures to minimise costs, prevent damage, and cancel or reduce his commitments. He shall draw up the documents required by the Special Conditions for the services rendered up to the date on which termination takes effect, within a period not exceeding sixty days from that date.

ARTICLE I.10a – CONTRACT CONCLUDED DURING STANDSTILL PERIOD

In case this Contract was signed by both the FCH JU and the Contractor before the expiry of 14 calendar days from the day after simultaneous dispatch of information about the award decisions and decisions to reject, this Contract shall be null and void.

ARTICLE I.11 – CONFIDENTIALITY AGREEMENT

In addition to the general confidentiality obligations indicated in Article II.9, the FCH JU may subject the signature or the implementation of a specific contract to the fact that the contractor sign with the members of the coalition supporting the study a confidentiality agreement based on the template annexed to the tender specifications.
ARTICLE II. 1 – PERFORMANCE OF THE CONTRACT

II.1.1 The Contractor shall perform the Contract to the highest professional standards. The Contractor shall have sole responsibility for complying with any legal obligations incumbent on him, notably those resulting from employment, tax and social legislation.

II.1.2 The Contractor shall have sole responsibility for taking the necessary steps to obtain any permit or licence required for performance of the Contract under the laws and regulations in force at the place where the tasks assigned to him are to be executed.

II.1.3 Without prejudice to Article II.3 any reference made to the Contractor’s staff in the Contract shall relate exclusively to individuals involved in the performance of the Contract.

II.1.4 The Contractor must ensure that any staff performing the Contract has the professional qualifications and experience required for the execution of the tasks assigned to him.

II.1.5 The Contractor shall neither represent the FCH JU nor behave in any way that would give such an impression. The Contractor shall inform third parties that he does not belong to the European public service.

II.1.6 The Contractor shall have sole responsibility for the staff who executes the tasks assigned to him.

The Contractor shall make provision for the following employment or service relationships with his staff:

- staff executing the tasks assigned to the Contractor may not be given orders direct by the FCH JU;

- the FCH JU may not under any circumstances be considered to be the staff's employer and the said staff shall undertake not to invoke in respect of the FCH JU any right arising from the contractual relationship between the FCH JU and the Contractor.

II.1.7 In the event of disruption resulting from the action of a member of the Contractor's staff working on FCH JU premises or in the event of the expertise of a member of the Contractor's staff failing to correspond to the profile required by the Contract, the Contractor shall replace him without delay. The FCH JU shall have the right to request the replacement of any such member of staff, stating its reasons for so doing. Replacement staff must have the necessary qualifications and be capable of performing the Contract under the same contractual conditions. The Contractor shall be responsible for any delay in the execution of the tasks.
assigned to him resulting from the replacement of staff in accordance with this Article.

**II.1.8** Should any unforeseen event, action or omission directly or indirectly hamper execution of the tasks, either partially or totally, the Contractor shall immediately and on his own initiative record it and report it to the FCH JU. The report shall include a description of the problem and an indication of the date on which it started and of the remedial action taken by the Contractor to ensure full compliance with his obligations under the Contract. In such event the Contractor shall give priority to solving the problem rather than determining liability.

**II.1.9** Should the Contractor fail to perform his obligations under the Contract in accordance with the provisions laid down therein, the FCH JU may - without prejudice to its right to terminate the Contract - reduce or recover payments in proportion to the scale of the failure. In addition, the FCH JU may impose penalties or liquidated damages provided for in Article II.16.

**ARTICLE II. 2 – LIABILITY**

**II.2.1** The FCH JU shall not be liable for damage sustained by the Contractor in performance of the Contract except in the event of wilful misconduct or gross negligence on the part of the FCH JU.

**II.2.2** The Contractor shall be liable for any loss or damage caused by himself in performance of the Contract, including in the event of subcontracting under Article II.13. The FCH JU shall not be liable for any act or default on the part of the Contractor in performance of the Contract.

**II.2.3** The Contractor shall provide compensation in the event of any action, claim or proceeding brought against the FCH JU by a third party as a result of damage caused by the Contractor in performance of the Contract.

**II.2.4** In the event of any action brought by a third party against the FCH JU in connection with performance of the Contract, the Contractor shall assist the FCH JU. Expenditure incurred by the Contractor to this end may be borne by the FCH JU.

**II.2.5** The Contractor shall take out insurance against risks and damage relating to performance of the Contract if required by the relevant applicable legislation. He shall take out supplementary insurance as reasonably required by standard practice in the industry. A copy of all the relevant insurance contracts shall be sent to the FCH JU should it so request.
ARTICLE II. 3 - CONFLICT OF INTERESTS

II.3.1 The Contractor shall take all necessary measures to prevent any situation that could compromise the impartial and objective performance of the Contract. Such conflict of interests could arise in particular as a result of economic interest, political or national affinity, family or emotional ties, or any other relevant connection or shared interest. Any conflict of interests which could arise during performance of the Contract must be notified to the FCH JU in writing without delay. In the event of such conflict, the Contractor shall immediately take all necessary steps to resolve it.

The FCH JU reserves the right to verify that such measures are adequate and may require additional measures to be taken, if necessary, within a time limit which it shall set. The Contractor shall ensure that his staff, board and directors are not placed in a situation which could give rise to conflict of interests. Without prejudice to Article II.1 the Contractor shall replace, immediately and without compensation from the FCH JU, any member of his staff exposed to such a situation.

II.3.2 The Contractor shall abstain from any contact likely to compromise his independence.

II.3.3 The Contractor declares:

- that he has not made and will not make any offer of any type whatsoever from which an unjustified advantage can be derived under the Contract,
- that he has not granted and will not grant, has not sought and will not seek, has not attempted and will not attempt to obtain, and has not accepted and will not accept, any advantage, financial or in kind, to or from any party whatsoever, where such advantage constitutes an illegal practice or involves corruption, either directly or indirectly, inasmuch as it is an incentive or reward relating to performance of the Contract.

II.3.4 The Contractor shall pass on all the relevant obligations in writing to his staff, board, and directors as well as to third parties involved in performance of the Contract. A copy of the instructions given and the undertakings made in this respect shall be sent to the FCH JU should it so request.

ARTICLE II. 4 – INVOICING AND PAYMENTS

II.4.1 Pre-financing:

Where required by Article I.5.1, the Contractor shall provide a financial guarantee in the form of a bank guarantee or equivalent supplied by a bank or an authorised financial institution (guarantor) equal to the amount indicated in the same Article to cover pre-financing under the Contract. Such guarantee may be replaced by a joint and several guarantee by a third party.
The guarantor shall pay to the FCH JU at its request an amount corresponding to payments made by it to the Contractor which have not yet been covered by equivalent work on his part.

The guarantor shall stand as first-call guarantor and shall not require the FCH JU to have recourse against the principal debtor (the Contractor).

The guarantee shall specify that it enters into force at the latest on the date on which the Contractor receives the pre-financing. The FCH JU shall release the guarantor from its obligations as soon as the Contractor has demonstrated that any pre-financing has been covered by equivalent work. The guarantee shall be retained until the pre-financing has been deducted from interim payments or payment of the balance to the Contractor. It shall be released the following month or, at the latest, three months after the issuance of a recovery order. The cost of providing such guarantee shall be borne by the Contractor.

II.4.2 Interim payment:

At the end of each of the periods indicated in Annex I the Contractor shall submit to the FCH JU a formal request for payment accompanied by those of the following documents which are provided for in the Special Conditions:

- an interim technical report in accordance with the instructions laid down in Annex I;
- the relevant invoices indicating the reference number of the Contract and of the order or specific contract to which they refer;
- statements of reimbursable expenses in accordance with Article II.7.

If the report is a condition for payment, on receipt the FCH JU shall have the period of time indicated in the Special Conditions in which:

- to approve it, with or without comments or reservations, or suspend such period and request additional information; or
- to reject it and request a new report.

If the FCH JU does not react within this period, the report shall be deemed to have been approved. Approval of the report does not imply recognition either of its regularity or of the authenticity, completeness or correctness of the declarations or information enclosed.

Where the FCH JU requests a new report because the one previously submitted has been rejected, this shall be submitted within the period of time indicated in the Special Conditions. The new report shall likewise be subject to the above provisions.

II.4.3 Payment of the balance:

Within sixty days of completion of the tasks referred to in each order or specific contract, the Contractor shall submit to the FCH JU a formal request for payment accompanied by those of the following documents, which are provided for in the Special Conditions:

- a final technical report in accordance with the instructions laid down in Annex I;
- the relevant invoices indicating the reference number of the Contract and of the order or specific contract to which they refer;
- statements of reimbursable expenses in accordance with Article II.7.

If the report is a condition for payment, on receipt the FCH JU shall have the period of time indicated in the Special Conditions in which:

- to approve it, with or without comments or reservations, or suspend such period and request additional information; or
- to reject it and request a new report.

If the FCH JU does not react within this period, the report shall be deemed to have been approved. Approval of the report does not imply recognition either of its regularity or of the authenticity, completeness or correctness of the declarations and information enclosed.

Where the FCH JU requests a new report because the one previously submitted has been rejected, this shall be submitted within the period of time indicated in the Special Conditions. The new report shall likewise be subject to the above provisions.

**ARTICLE II. 5 – GENERAL PROVISIONS CONCERNING PAYMENTS**

**II.5.1** Payments shall be deemed to have been made on the date on which the FCH JU's account is debited.

**II.5.2** The payment periods referred to in Article I.5 may be suspended by the FCH JU at any time if it informs the Contractor that his payment request is not admissible, either because the amount is not due or because the necessary supporting documents have not been properly produced. In case of doubt on the eligibility of the expenditure indicated in the payment request, the FCH JU may suspend the time limit for payment for the purpose of further verification, including an on-the-spot check, in order to ascertain, prior to payment, that the expenditure is eligible.

The FCH JU shall notify the Contractor accordingly and set out the reasons for the suspension by registered letter with acknowledgment of receipt or equivalent. Suspension shall take effect from the date of dispatch of the letter. The remainder of the period referred to in Article I.5 shall begin to run again once the suspension has been lifted.

**II.5.3** In the event of late payment the Contractor shall be entitled to interest, provided the calculated interest exceeds EUR 200. In case interest does not exceed EUR 200, the Contractor may claim interest within two months of receiving the payment. Interest shall be calculated at the rate applied by the European Central Bank to its most recent main refinancing operations ("the reference rate") plus seven percentage points ("the margin"). The reference rate in force on the first day of the month in which the payment is due shall apply. Such interest rate is published in the C series of the Official Journal of the FCH JU. Interest shall be payable for the period elapsing from the calendar day following expiry of the time limit for payment up to the day of payment. Suspension of payment by the FCH JU may not be deemed to constitute late payment.

**ARTICLE II. 6 – RECOVERY**
II.6.1 If total payments made exceed the amount actually due or if recovery is justified in accordance with the terms of the Contract, the Contractor shall reimburse the appropriate amount in euro on receipt of the debit note, in the manner and within the time limits set by the FCH JU.

II.6.2 In the event of failure to pay by the deadline specified in the request for reimbursement, the sum due shall bear interest at the rate indicated in Article II.5.3. Interest shall be payable from the calendar day following the due date up to the calendar day on which the debt is repaid in full.

II.6.3 In the event of failure to pay by the deadline specified in the request for reimbursement, the FCH JU may, after informing the Contractor, recover amounts established as certain, of a fixed amount and due by offsetting, in cases where the Contractor also has a claim on the Union or the European Atomic Energy Community that is certain, of a fixed amount and due. The FCH JU may also claim against the guarantee, where provided for.

ARTICLE II. 7 - REIMBURSEMENTS

II.7.1 Where provided by the Special Conditions or by Annex I, the FCH JU shall reimburse the expenses that are directly connected with execution of the tasks on production of original supporting documents, including receipts and used tickets.

II.7.2 Travel and subsistence expenses shall be reimbursed, where appropriate, on the basis of the shortest itinerary.

II.7.3 Travel expenses shall be reimbursed as follows:

a) travel by air shall be reimbursed up to the maximum cost of an economy class ticket at the time of the reservation;

b) travel by boat or rail shall be reimbursed up to the maximum cost of a first class ticket;

c) travel by car shall be reimbursed at the rate of one first class rail ticket for the same journey and on the same day;

ARTICLE II. 8 – OWNERSHIP OF THE RESULTS - INTELLECTUAL AND INDUSTRIAL PROPERTY

Any results or rights thereon, including copyright and other intellectual or industrial property rights, obtained in performance of the Contract, including the ‘sanitized data’ as defined in the tender specifications and the study results, shall be owned solely by the FCH JU, which may use, publish, assign or transfer them as it sees fit, without geographical or other limitation, except where industrial or intellectual property rights exist prior to the Contract being entered into.

ARTICLE II. 9 – CONFIDENTIALITY

II.9.1. The Contractor undertakes to treat in the strictest confidence and not make use of or divulge to third parties any information or documents which are linked to performance of the Contract. The Contractor shall continue to be bound by this undertaking after completion of the tasks.

II.9.2. The Contractor shall obtain from each member of his staff, board and directors an undertaking that they will respect the confidentiality of any information which is linked, directly or indirectly, to execution of the tasks and that they will not divulge to third parties or use for their own benefit or that of any third party any document or information not available publicly, even after completion of the tasks.
ARTICLE II.10 - USE, DISTRIBUTION AND PUBLICATION OF INFORMATION

II.10.1 The Contractor shall authorise the FCH JU to process, use, distribute and publish, for whatever purpose, by whatever means and on whatever medium, any data contained in or relating to the Contract, in particular the identity of the Contractor, the subject matter, the duration, the amount paid and the reports. Where personal data is concerned, Article I.9 shall apply.

II.10.2 Unless otherwise provided by the Special Conditions, the FCH JU shall not be required to distribute or publish documents or information supplied in performance of the Contract. If it decides not to publish the documents or information supplied, the Contractor may not have them distributed or published elsewhere without prior written authorisation from the FCH JU.

II.10.3 Any distribution or publication of information relating to the Contract by the Contractor shall require prior written authorisation from the FCH JU and shall mention the amount paid by the FCH JU. It shall state that the opinions expressed are those of the Contractor only and do not represent the FCH JU's official position.

II.10.4 The use of information obtained by the Contractor in the course of the Contract for purposes other than its performance shall be forbidden, unless the FCH JU has specifically given prior written authorisation to the contrary.

ARTICLE II.11 – TAXATION

II.11.1 The Contractor shall have sole responsibility for compliance with the tax laws which apply to him. Failure to comply shall make the relevant invoices invalid.

II.11.2 The Contractor recognises that the FCH JU is, as a rule, exempt from all taxes and duties, including value added tax (VAT), pursuant to the provisions of Articles 3 and 4 of the Protocol on the Privileges and Immunities of the European Union.

II.11.3 The Contractor shall accordingly complete the necessary formalities with the relevant authorities to ensure that the goods and services required for performance of the Contract are exempt from taxes and duties, including VAT.

II.11.4 Invoices presented by the Contractor shall indicate his place of taxation for VAT purposes and shall specify separately the amounts not including VAT and the amounts including VAT.
ARTICLE II. 12 – FORCE MAJEURE

II.12.1 Force majeure shall mean any unforeseeable and exceptional situation or event beyond the control of the contracting parties which prevents either of them from performing any of their obligations under the Contract, was not due to error or negligence on their part or on the part of a subcontractor, and could not have been avoided by the exercise of due diligence. Defects in equipment or material or delays in making it available, labour disputes, strikes or financial problems cannot be invoked as force majeure unless they stem directly from a relevant case of force majeure.

II.12.2 Without prejudice to the provisions of Article II.1.8, if either contracting party is faced with force majeure, it shall notify the other party without delay by registered letter with acknowledgment of receipt or equivalent, stating the nature, likely duration and foreseeable effects.

II.12.3 Neither contracting party shall be held in breach of its contractual obligations if it has been prevented from performing them by force majeure. Where the Contractor is unable to perform his contractual obligations owing to force majeure, he shall have the right to remuneration only for tasks actually executed.

II.12.4 The contracting parties shall take the necessary measures to reduce damage to a minimum.

ARTICLE II. 13 – SUBCONTRACTING

II.13.1 The Contractor shall not subcontract without prior written authorisation from the FCH JU nor cause the Contract to be performed in fact by third parties.

II.13.2 Even where the FCH JU authorises the Contractor to subcontract to third parties, he shall none the less remain bound by his obligations to the FCH JU under the Contract and shall bear exclusive liability for proper performance of the Contract.

II.13.3 The Contractor shall make sure that the subcontract does not affect rights and guarantees to which the FCH JU is entitled by virtue of the Contract, notably Article II.17.

ARTICLE II. 14 – ASSIGNMENT

II.14.1 The Contractor shall not assign the rights and obligations arising from the Contract, in whole or in part, without prior written authorisation from the FCH JU.

II.14.2 In the absence of the authorisation referred to in 1 above, or in the event of failure to observe the terms thereof, assignment by the Contractor shall not be enforceable against and shall have no effect on the FCH JU.
ARTICLE II. 15 – TERMINATION BY THE FCH JU

II.15.1 The FCH JU may terminate the Contract, a pending order or a specific contract in the following circumstances:

(a) where the Contractor is being wound up, is having his affairs administered by the courts, has entered into an arrangement with creditors, has suspended business activities, is the subject of proceedings concerning those matters, or is in any analogous situation arising from a similar procedure provided for in national legislation or regulations;

(b) where the Contractor has not fulfilled obligations relating to the payment of social security contributions or the payment of taxes in accordance with the legal provisions of the country in which he is established or with those of the country applicable to the Contract or those of the country where the Contract is to be performed;

(c) where the FCH JU has evidence or seriously suspects the Contractor or any related entity or person, of professional misconduct;

(d) where the FCH JU has evidence or seriously suspects the Contractor or any related entity or person, of fraud, corruption, involvement in a criminal organisation or any other illegal activity detrimental to the FCH JU’s or the Union's financial interests;

(e) where the FCH JU has evidence or seriously suspects the Contractor or any related entity or person, of substantial errors, irregularities or fraud in the award procedure or the performance of the Contract;

(f) where the Contractor is in breach of his obligations under Article II.3;

(g) where the Contractor was guilty of misrepresentation in supplying the information required by the FCH JU as a condition of participation in the Contract procedure or failed to supply this information;

(h) where a change in the Contractor’s legal, financial, technical or organisational situation could, in the FCH JU’s opinion, have a significant effect on the performance of the Contract;

(i) where execution of the tasks under a pending order or a specific contract has not actually commenced within fifteen days\textsuperscript{17} of the date foreseen, and the new date proposed, if any, is considered unacceptable by the FCH JU;

(j) where the Contractor is unable, through his own fault, to obtain any permit or licence required for performance of the Contract;

(k) where the Contractor, after receiving formal notice in writing to comply, specifying the nature of the alleged failure, and after being given the opportunity

\textsuperscript{17} This period can be modified in the Special Conditions depending on the nature of the contract.
to remedy the failure within a reasonable period following receipt of the formal notice, remains in serious breach of his contractual obligations;

(l) when due to the termination of the contract with one or more of the contractors there is no minimum required competition within the multiple framework contract with reopening of competition.

II.15.2 In case of force majeure, notified in accordance with Article II.12, either contracting party may terminate the Contract, where performance thereof cannot be ensured for a period corresponding to at least to one fifth of the period laid down in Article I.2.3.

II.15.3 Prior to termination under point c), d), e), h) or k), the Contractor shall be given the opportunity to submit his observations.

Termination shall take effect on the date on which a registered letter with acknowledgment of receipt terminating the Contract is received by the Contractor, or on any other date indicated in the letter of termination.

II.15.4 Consequences of termination:

In the event of the FCH JU terminating the Contract or a pending order or specific contract in accordance with this Article and without prejudice to any other measures provided for in the Contract, the Contractor shall waive any claim for consequential damages, including any loss of anticipated profits for uncompleted work. On receipt of the letter terminating the Contract, the Contractor shall take all appropriate measures to minimise costs, prevent damage, and cancel or reduce his commitments. He shall draw up the documents required by the Special Conditions for the tasks executed up to the date on which termination takes effect, within a period not exceeding sixty days from that date.

The FCH JU may claim compensation for any damage suffered and recover any sums paid to the Contractor under the Contract.

On termination the FCH JU may engage any other contractor to execute or complete the services. The FCH JU shall be entitled to claim from the Contractor all extra costs incurred in doing so, without prejudice to any other rights or guarantees enforceable under the Contract.

ARTICLE II.15a – SUBSTANTIAL ERRORS, IRREGULARITIES AND FRAUD ATTRIBUTABLE TO THE CONTRACTOR

Where, after the award of the Contract, the award procedure or the performance of the Contract prove to have been subject to substantial errors, irregularities or fraud, and where such errors, irregularities or fraud are attributable to the Contractor, the FCH JU may refuse to make payments, may recover amounts already paid or may terminate all the contracts concluded with the Contractor, in proportion to the seriousness of the errors, irregularities of fraud.
ARTICLE II. 16 – LIQUIDATED DAMAGES

Should the Contractor fail to perform his obligations under the Contract within the time limits set by the Contract, then, without prejudice to the Contractor's actual or potential liability incurred in relation to the Contract or to the FCH JU's right to terminate the Contract, the FCH JU may decide to impose liquidated damages of 0.2%\(^1\) of the amount of the relevant purchase per calendar day of delay. The Contractor may submit arguments against this decision within thirty days of notification by registered letter with acknowledgement of receipt or equivalent. In the absence of reaction on his part or of written withdrawal by the FCH JU within thirty days of the receipt of such arguments, the decision imposing the liquidated damages shall become enforceable. These liquidated damages shall not be imposed where there is provision for interest for late completion. The FCH JU and the Contractor expressly acknowledge and agree that any sums payable under this Article are in the nature of liquidated damages and not penalties, and represent a reasonable estimate of fair compensation for the losses that may be reasonably anticipated from such failure to perform obligations.

ARTICLE II. 17 – CHECKS AND AUDITS

II.17.1 Pursuant to Article 126 of the FCH JU Financial Rules and Article 142 of the Financial Regulation applicable to the general budget of the European Communities, the Court of Auditors shall be empowered to audit the documents held by the natural or legal persons receiving payments from the budget of the FCH JU from signature of the Contract up to five years after payment of the balance of the last implementation.

II.17.2 The FCH JU or an outside body of its choice shall have the same rights as the Court of Auditors for the purpose of checks and audits limited to compliance with contractual obligations from signature of the Contract up to five years after payment of the balance of the last implementation.

II.17.3 In addition, the European Anti-Fraud Office may carry out on-the-spot checks and inspections in accordance with Council Regulation (Euratom, EC) No 2185/96 and Parliament and Council Regulation (EC) No 1073/1999 from signature of the Contract up to five years after payment of the balance of the last implementation.

\(^1\) The daily rate for liquidated damages may be modified in the Special Conditions where the subject of the contract so justifies.
ARTICLE II. 18 – AMENDMENTS

Any amendment to the Contract shall be the subject of a written agreement concluded by the contracting parties. An oral agreement shall not be binding on the contracting parties. An order or a specific contract may not be deemed to constitute an amendment to the Contract.

ARTICLE II. 19 – SUSPENSION OF THE CONTRACT

Without prejudice to the FCH JU’s right to terminate the Contract, the FCH JU may at any time and for any reason suspend execution of the Contract, pending orders or specific contracts or any part thereof. Suspension shall take effect on the day the Contractor receives notification by registered letter with acknowledgment of receipt or equivalent, or at a later date where the notification so provides. The FCH JU may at any time following suspension give notice to the Contractor to resume the work suspended. The Contractor shall not be entitled to claim compensation on account of suspension of the Contract, of the orders or specific contracts, or of part thereof.

For purposes of this agreement ("Agreement"), all companies listed in annex of the tender specifications (as well as companies that would later join the coalition) are referred to individually as a “Coalition Member” and collectively as the "Coalition Members".

For purposes of this Agreement, the term “affiliates” of the Coalition Member means any entities that directly or indirectly control, are controlled by, or are under the same control as the Coalition Member or any other entities affiliated with the Coalition Member or entities.

The Coalition Member and Contractor recognize that it is mutually beneficial to confirm certain understandings and business arrangements and hereby agree to the following terms and conditions in connection with the Study.

1. STAFFING ARRANGEMENTS

Given the requirements for confidentiality as set out in Section 4, below, two separate teams of Contractor consultants will be established, the “Clean Team” and the “Technical Team”.

a) The Clean Team will consist of one or more Contractor consultant(s). As and when Coalition Members or any of its affiliates provide confidential or commercially sensitive data in whatever form (hereafter “Confidential Information”), it will be sent to the Clean Team only. The Clean Team will ensure that the data is aggregated and disguised, i.e. data cannot be identified or traced back to a specific Coalition Member or the relevant affiliate thereof before sharing this data with another Coalition Member or the Technical Team (hereinafter “Sanitized Data”). In addition, the Clean Team will ensure that data is comparable on a “like-for-like unit of measurement” basis.

b) The Technical Team consisting of the remaining Contractor consultants and the “Working Groups”, comprising the Contractor’s Technical Team and staff of the Coalition Members, will have access only to Sanitized Data coming from the Clean Team and any other data that is publically available.

Each of the Contractor’s consultants whether part of the Clean Team or the Technical Team will at all times adhere to Contractor’s policies and practices for safeguarding confidentiality.

2. CONFIDENTIALITY AND CLEAN TEAM SET UP

a) Contractor agrees that the Confidential Information shall only be used for the Study and, except as provided in this Agreement, it will not disclose any Confidential Information to any person who is not a member of the Clean Team or legal counsel (Member of a Bar) to Contractor without the prior written consent of the Coalition
Member(s). The Sanitized Data and the results of the Study will belong to the FCH-JU, which will grant to the Coalition Members and their affiliates a free, non-exclusive and non-transferable licence.

b) The Coalition Member and Contractor each agrees to the following arrangements with respect to the sharing of Confidential Information:

1) The Coalition Member and its affiliates may provide Confidential Information to the Clean Team;

2) The Clean Team will not share the Confidential Information of the Coalition Member or its affiliates in its possession with any other person (i.e. other Coalition Members, FCH JU or any third party) except in aggregate and disguised form;

3) Any other disclosure by Contractor of Confidential Information of a Coalition Member or its affiliates may be made only with the prior written consent or at the written request of the Coalition Member or its affiliates whose Confidential Information is being disclosed;

4) A Coalition Member providing Confidential Information (input data) shall remain vested holder of such information. Nothing contained in this Agreement shall be construed as granting or conferring to the Contractor or the other Coalition Members any right or licence, on the Coalition member’s confidential information or any other intellectual property as a result of entering into this agreement or participating in the study.

5) No warranty is given by the Coalition Member as to the accuracy or completeness of any information provided;

6) The Coalition Member is not obliged to disclose any, or any particular information to the Contractor, and the information to be disclosed is at the absolute discretion of the Coalition Member.

c) Confidential Information shall not include information that (i) has come into the possession of Contractor prior to its receipt of such information from the Coalition Member or its affiliates without breach of any confidentiality, (ii) is or becomes publicly available other than as a result of a breach of this Agreement by Contractor, or (iii) is or can be independently acquired or developed by Contractor without reference to the Confidential Information and without violating any of its obligations under this or prior agreements with the Coalition Member or its affiliates.

d) In the event that Contractor receives a request to disclose all or any part of any Confidential Information under the terms of a valid and effective subpoena or order issued by a court of competent jurisdiction or by a judicial or administrative agency or by a legislative body or committee, such disclosure by Contractor shall not constitute a violation of this Agreement provided that Contractor (a) promptly notifies the Coalition Member, as the case may be, of the existence, terms and circumstances surrounding such request, (b) consults with the Coalition Member, as the case may be, on the advisability of taking legal available steps to resist or narrow such request, and
(c) if disclosure of such Confidential Information is required, exercises its best efforts to obtain an order or other reliable assurance that confidential treatment will be accorded to such portion of the Confidential Information to be disclosed which the Coalition Member, as the case may be, designates.

e) All records, notes, documents and other information supplied by the Coalition Member to Contractor in connection with the Study and all copies, reprints, reproductions or translations thereof made and retained by Contractor, will upon request, be returned by Contractor to the Coalition Member, as the case may be, or destroyed.

f) The obligations provided in this Section 2 shall remain in force for a ten-year period from the signature of this Agreement by the Contractor.

Given the importance of keeping the information that is sent by the Coalition Member to the Clean Team strictly confidential, Contractor shall require from each person prior to being staffed on the Clean Team to sign a Non-Disclosure Agreement which includes the obligations listed under this section reminding such person of the obligations of confidentiality he/she subscribed to when joining Contractor and to uphold those obligations for a ten-year period from the signature of this Agreement by the Contractor.

3. Applicable law and settlement of disputes

This Agreement is non-assignable.
No modification to this Agreement will be binding unless in writing signed by both parties.
The applicable law and the mechanism for settling disputes will be as those indicated in the framework contract signed between Contractor and the FCH JU (Article I.8).
