

THE EUROPEAN INDUSTRY GROUPING
FOR A FUEL CELLS AND HYDROGEN JOINT TECHNOLOGY INITIATIVE

HyRaMP – The Role of Regions

Andreas Ziolek,
Chairman HyRaMP

What is HyRaMP ?

HyRaMP:

**European Regions and Municipalities
Partnership for Hydrogen and Fuel Cells**

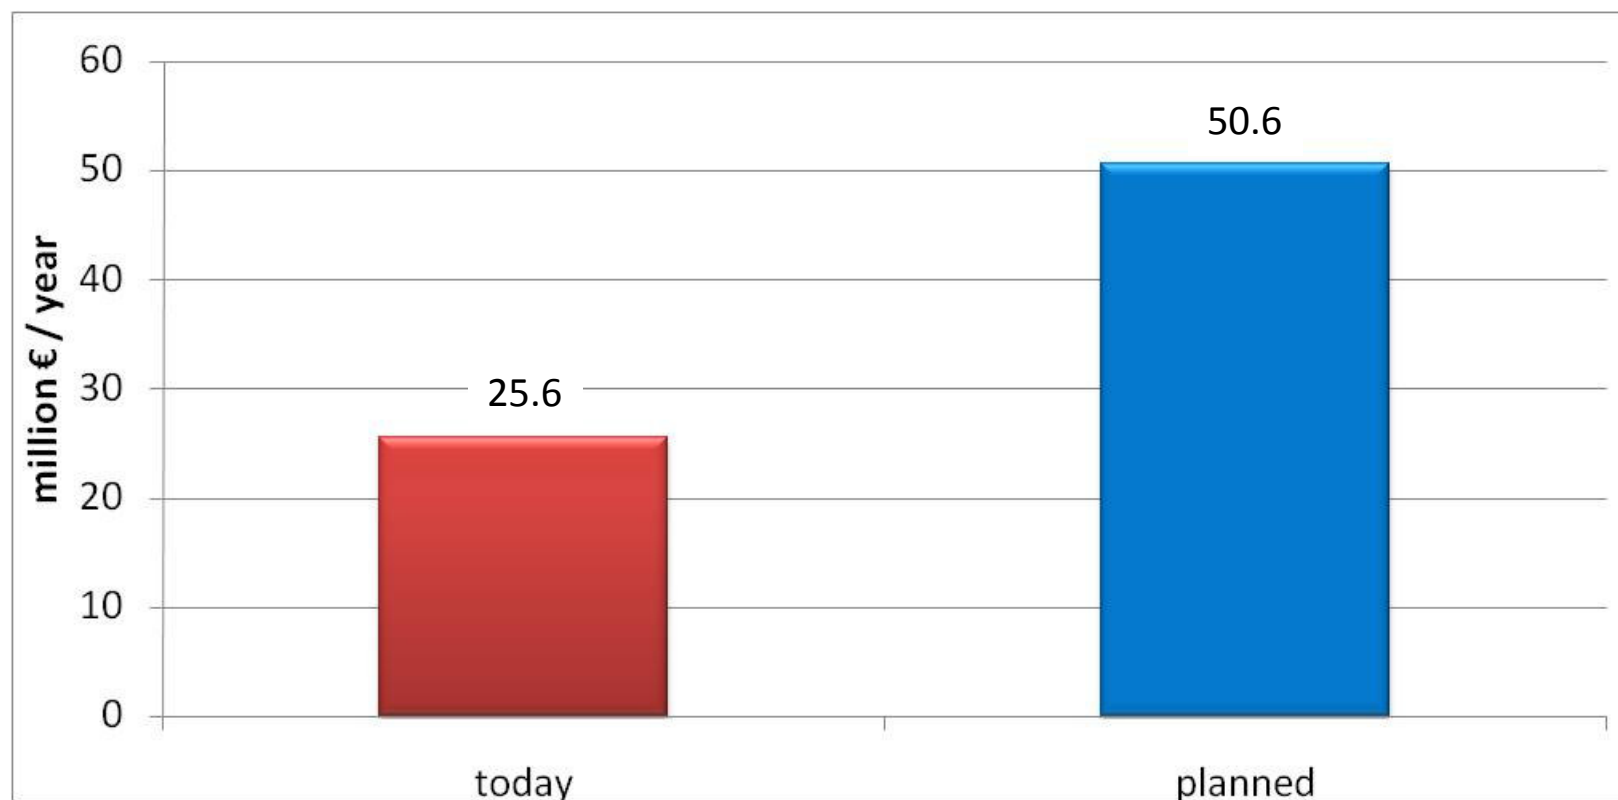

HyRaMP Members

HyRaMP Members (10/2008):

- Andalusia
- Abruzzo
- Aragon
- Trento
- Baden-Württemberg
- Castilla La Mancha
- Madrid
- Galicia
- Hamburg
- Hessen
- Lazio
- British Midlands
- Rhone Alpes
- Lombardy
- Midi Pyrenées
- Catalonia
- Nord East of England
- North Rhine-Westphalia
- Oldenburg-Wilhelmshaven
- Scandinavian Regions (N, SE, DK)
- Piemonte
- Ljubljana

HyRaMP – Activity Survey (1/4)

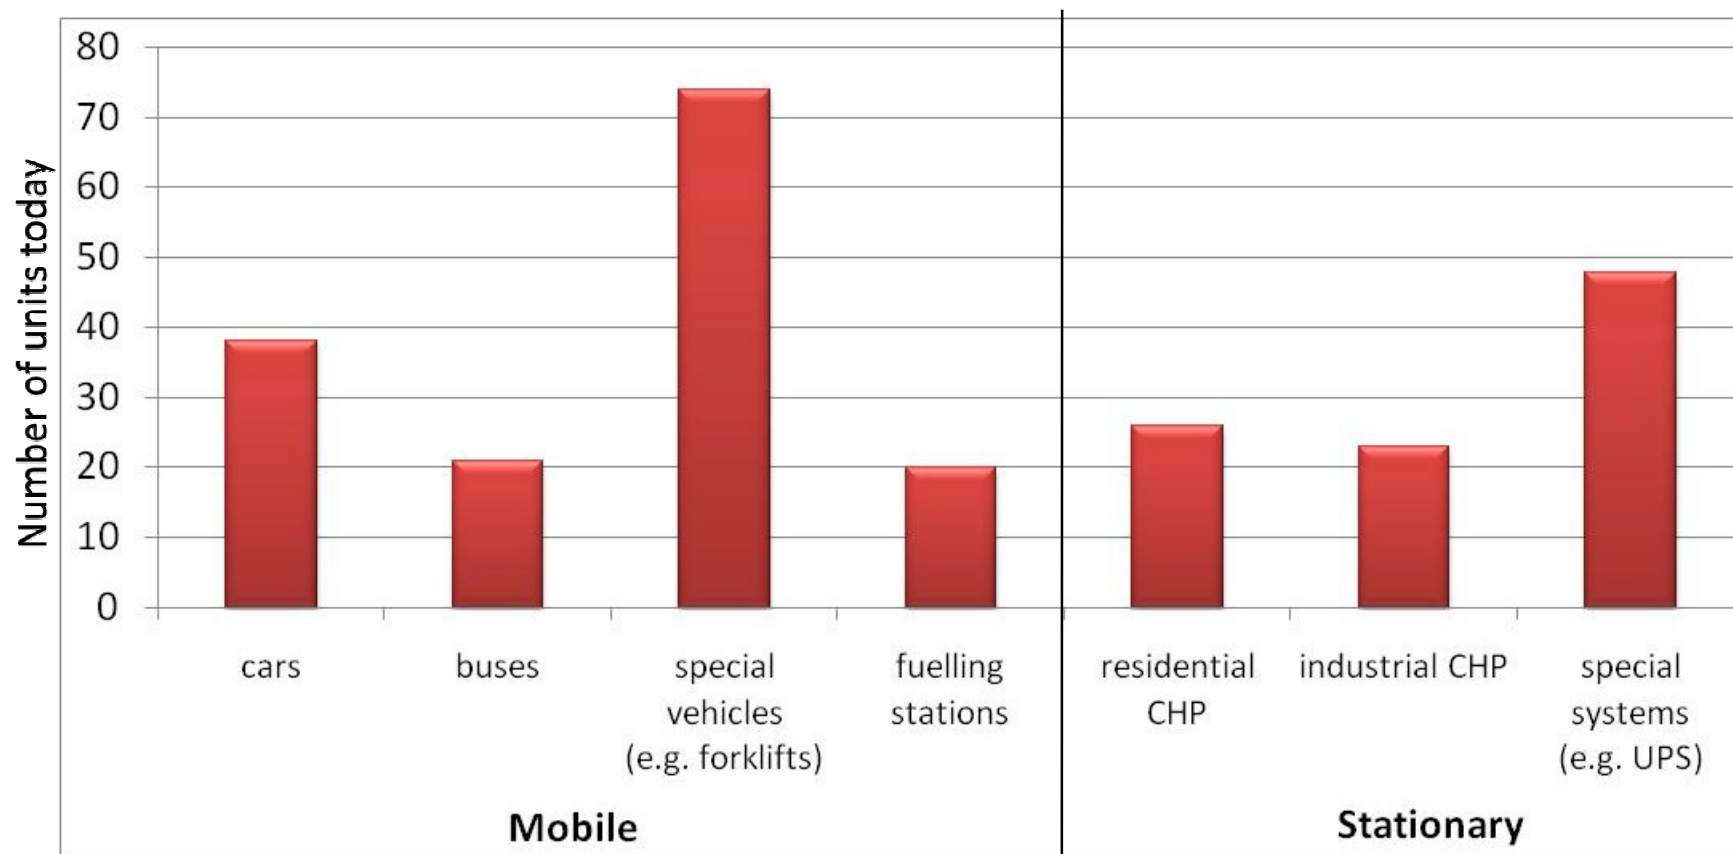

Annual budget for hydrogen and fuel cell projects*

* Status: October, 10 2008, 10 of 22 members responded so far

HyRaMP – Activity Survey (2/4)

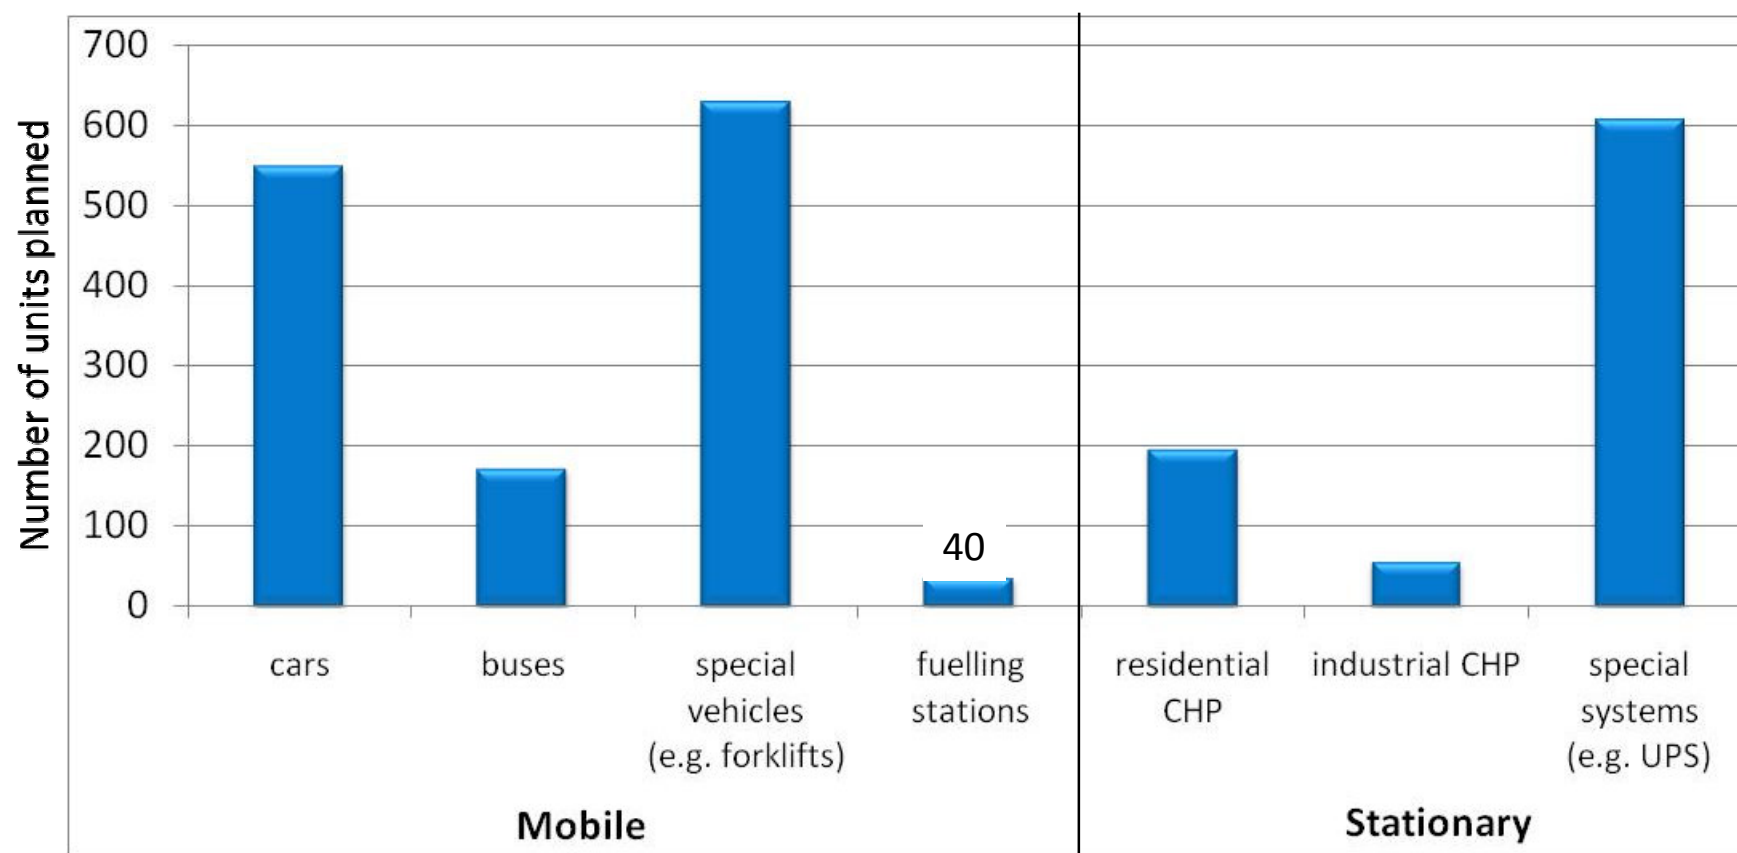

Fuel cell application and infrastructure installations today*

* Status: October, 10 2008, 10 of 22 members responded so far

HyRaMP – Activity Survey (3/4)

Fuel cell application and infrastructure installations (planned)*

* Status: October, 10 2008, 10 of 22 members responded so far

HyRaMP would like to ...

- ... have regular communications with JU as well as FCH State Representatives Group (therefore observer status is fine with us)
- ... be considered as a relevant partner within the JTI process (e.g. first call)
- ... be involved in the discussion on further AIP as well as to contribute to the MAIP preparation, revision and implementation to align funding programs across Europe

HyRaMP would like to ...

Thank you!
