

REGISTRATION PROCEDURE – European Hydrogen Week 2022

1. Go to <https://www.fch.europa.eu/content/european-hydrogen-week-2021>
2. When you click on REGISTER you will be prompted to access via EU Login.
3. If you have an account already, proceed with step 4.
If not, create an account on EU login and go through the requested steps.
4. Register for the event, making sure to click on 'confirm' at the end.
5. You will instantly receive an email with a QR code and the confirmation (the QR code is only applicable for speakers who will be attending on-site).
6. After a few minutes, another email will follow with a link to the event platform, where you can:
 - Update your profile;
 - See the full event agenda;
 - Register for sessions;
 - Engage in matchmaking opportunities.
